Life in abundance vs. Life without limits

- Gen. 3 shows how he steals, by sowing doubt!
- If he can steal your focus your faith in God shakes.
- If he can kill your expectancy your hope for that which God has ordained starts to go out the window.
- Then it becomes easier to destroy your intimacy with God because that love is the drive that urges me toward overcoming fear that pushes me to live at my full potential 1 Cor. 13 Love conquers all it I love as God has loved me

F – Finances

Disciple with the Good Shepherd John 10:11

- At what cost am I financially free?
Family, marriage, God - time the most valuable asset.
- I walk in fruitfulness as I lay down my life, under Gods guidance. He blesses me as I lose my life for Him not the financial gain

R – Religion

Build with the Bread of life John 6:35

- Free to practice express the customs of my religious belief.
- According to Wikipedia there are around 10 000 different belief systems worldwide & this number is growing rapidly.
- As I grow in my relationship with Jesus I'm never lacking out of that I can share that bread & water with others.

E – Ethnicity

Train with the way the truth & life John 14:6

- I find part of my identity through my heritage.
- Ethnicity grows, just like everything else by circumstances surrounding the people group at a given point in time.
- Through my relationship with the King I follow the heavenly pattern God has for me under His truth that sets me free to enjoy life as a child of God full stop not a coloured or Ugandan

E – Economy

Activate with the Resurrection & life John 11:25-26

- Economically we're living in a time where it is most vital to enjoy freedom.
- I can set the atmosphere, am I allowing God to change the economy through me?
- Resurrection is to come back from death, can we see the death in our economy am I living by what I see on the news or in the Spirit

D – Democracy

Plant with the True vine John 15:5

- We have it covered everyone has right.
- We are free to marry which ever gender we feel attracted to.
- True change with me. I can only duplicate that which I carry. Let Jesus reign in your heart then the country will change!

O – Outlook

Reach with the Door of the sheep John 10:9

- We seem free as we have so much but at what cost.
- I call it as see it right, maybe change your point of view. As I stand in the doorway Jesus I see the Godly opportunities.

M – Moral

Enjoy with the Light of the world John 8:12

- The growing number of otherwise oriented people means that we're living in a society where the next big topic is unisex toilets.
- Let the light in you draw & chase the insects in others around you!

1 Peter 1:14

...do not conform to the evil desires you had when you lived in ignorance.

Covenant with King Jesus gives me a freedom to enjoy Him but also to live Him

1 Cor. 13:13

Faith, Hope, Love

You are free, what now?
