

# WALKING WITH THE BLESSING OF COVENANT

**Ps Jaco Ackerman**  
**3 July 2016**

We do not always realise that  
**BLESSING** comes with  
**RESPONSIBILITY,**  
and **RESPONSIBILITY** does not  
always feel good.

## Joshua: Could have taken the land!

- ▶ The people were not ready, but Joshua and God were - he then walked with them until they were.
- ▶ Daily for **40 years...**
- ▶ Did he get discouraged??
- ▶ He could see it as a **BLESSING** or **CURSE**.

# Joshua experienced the following **blessings**:

- ▶ God's **provision**
- ▶ God's **guidance**
- ▶ God's **constant presence**
- ▶ God's **wonders**
- ▶ **Obedience**
- ▶ **Honouring unconditionally**
- ▶ God's **Hand**

## **CURSE:**

- ▶ Many **opinions!**
- ▶ Very little **blessing!**
- ▶ Will **die** in the desert!

## **BLESSING:**

- ▶ See God's **Hand!**
- ▶ Take hold of His **promises!**

The people whom you walk with  
**ARE**  
the blessing!

# Like Joshua:

- ▶ We need to **walk in Covenant**.
- ▶ We have someone in our lives who we would like to see “**fall in line**”.
- ▶ We need to be **patient** and see **God’s Hand!**

# Like the Nation of Israel:

- ▶ There is some Joshua who is waiting for us to “**fall in line**”.
- ▶ Our **focus** is more often on the curse.
- ▶ We need to see the **reality** of God’s Word through faith.
- ▶ We need to be **activated!**
